Just a phone call away...

Get Trustworthy Information

Caring for someone raises questions on all kinds of topics. We’ve already done the work collecting the answers, and we’ll give you quality information by phone, mail or e-mail.

Find Ways to Ask for Help

Managing care is a team effort. Who is on your team? When you prepare to talk with family and friends about being overwhelmed, you’ll be amazed at the difference that simply asking can make.

Locate and Use Helpful Services

You’ve heard about services that can help, but which ones and where? Learn about the services that match your situation and get connected.

Relieve Your Stress

Think of your Care Consultant as your coach and your emotional support when you face challenges or feel overwhelmed.
Customized Service Delivery

Convenience
Consultations are done by phone, so you can take calls at home or on-the-go. E-mail the Care Consultant any time you have a question.

Simple & Practical Solutions
Care Consultants act as organizers, helping you to prioritize your concerns. We will help you develop a step-by-step plan specific to your life that steers you through your caregiving journey.

Expertise
There is an overwhelming amount of literature and services available for older adults and their families. Care Consultants know the available resources and provide you with the information you need to make informed decisions.

Someone to keep in touch with you
Throughout the care journey, you may experience many ups and downs. Care Consultants will continue to check in with you.
